Car Company

Skoda Rent combines the strength of one of the world's largest car rental brands together with the detailed local knowledge, flexibility and great value for money you need.

For your peace of mind all our vehicles are safety checked and cleaned before every rental. And because we are constantly renewing our fleet you'll be driving some of the very latest model vehicles all at low prices.

Our History

As our name suggests we've always been synonymous with great value for money. We now offer a range of fully inclusive rates, pre-payment options and charge facilities designed to keep you in control and help you save money.
